Serial Nos. Two

Part B for March 1947

SUBJECT

Increments.

No. Rv. 6483-5 dated 27.3.47.

To The Ch. Engineer for Irrign.
" Comptroller
" Auditor, P.W.D. } Thro' Fin. Secll.

Direct that Mr. N. Shankara Sastry, clerk be fixed in the incremental scale of pay and effect from 14.2.1937 and granted the annual increments coming from that date.

Serial No.

Letter No 5232/E dated 4-2-1947 from the Chief Engineer for Irrigation.

Forwards the representation of Mr. N. Lankara Sastry, clerk, requesting for the grant of arrears of increments due to him.

Messrs. A. Krishnaiah and N. Lankara Sastry, clerks on Rs 30/- on the Divisional Establishment of the PW dept were taken to the Shimoga circle office on 2-6-1935 and 4-2-1937 respectively against vacancies carrying a progressive pay of Rs 30-3-45. They were not, however, allowed the incremental rate of pay from those dates, as the question of regularising the appointments was under correspondence.

2. They were subsequently granted a pay of Rs 32/- from 7-8-1939 in the grade of Rs 30-3-45. On further representation from the parties, they were given the maximum of the grade viz Rs 45/- from 7-8-1942 against 7-8-1943 on which date they would have normally reached Rs 45/-.

3. But, if they had been granted the incremental scale of pay from the dates, they were taken to the circle office, as in the case of other officials who were similarly taken to circle offices, these two officials

NOTE—Contn. Sheet.

Mr. N. Sankara Rao, clerk

File No. 4008 P/W of 194 . | Public Works Secretariat

Serial No.	
	would have reached Rs 457- on 2.6.40 and 4-2-1942 respectively. It was on this consideration, that Mr. A. Rudraiah was subsequently ordered to be placed in the incremental scale with effect from 2-6-1935, the date on which he joined duty in the Shimoga Circle.
A	4. On similar considerations, Mr. N. Sankara Rao now requests that he may also be granted the incremental scale from 4-2-1937 the date on which he joined the Shimoga Circle office.
	The C.E. states that this is the only case which is parallel to that of Mr. A. Rudraiah and recommends that the request of Mr. Sankara Rao may be sanctioned.
	5. The proposal requires financial concurrence. The difference that would become payable to Mr. Sankara Rao on this account is worked out as Rs 234-(. Slip I)
	8 22/7/47.
	Dms 25/7/47) The proposal of the Chief Engineer as noted in Para 4 may be approved as it is reported that this is the only case parallel to that of Mr Rudraiah. He has been given the incremental scale as noted in Para 3 at A.

Est 4-46-16

Office of the Chief Engineer for
Irrigation in Mysore,
Dated Bangalore, 3rd February 1947.

No. 5232/E
1

4 - 2 - 47

To

The Secretary to Government,
Public Works Department,
Bangalore.

P. W. SECRETARIAT
4008
Date 6/2/47

Sir,

Representation of Mr.N.Sankara Sastry, Clerk, for arrears of increments.

With reference to G.O.No.P.W.1892-3/Est. 6-45-16 dated 23-9-1946, fixing Mr.A.Rudriah, clerk, Shimoga Circle Office in the progressive pay of Rs.30-3-45 with effect from 8-6-1935 the date he assumed charge of work in Shimoga Circle Office, I have the honour to state that the case of Mr.N.Sankara Sastry the present applicant is similar to Mr.Rudriah in every respect. This is the only such parallel case in the Department. Both were drafted from Division to Circle office, suffered stagnation on fixed Rs.30/- though working in places carrying progressive pay, the cases of both for absorption in the Central Unit were under correspondence both the cases being bracketted from the begining until both of them were fixed on - progressive pay eventually with effect from a later date.

2. The full benefits of working in a progressive pay have been extended to Mr.A.Rudriah from the date he joined duty in the Circle Office. Mr.Shankara Sastry who has an identical grievance also deserve similar redress. A statement showing the legitimate claims of Mr. Mr.Sankara Sastry and the difference of pay that falls due to him is enclosed herewith for the information of Government. I may further add that no other person has drawn for the period in question the benefits of progressive pay which the applicant prays to be given.

3. I therefore request that sanction of Government to the disbursement of the difference of pay due to Mr.Sankara Sastry may kindly be obtained and communicated.

I have the honour to be,
Sir,
Your most obedient servant,

GCS/3rd.

CHIEF ENGINEER FOR IRRIGATION.

Memo.

To

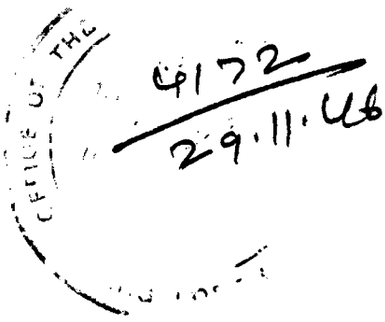
The Chief Engineer for Irrigation
in Mysore,
BANGALORE.

Through

The Executive Engineer,
Buildings Division,
BANGALORE.

and

The Superintending Engineer,
Mysore Circle,
MYSORE.



Sir,

I beg to state that I was entertained in the Public Works Department in the year 1934 in a second class vacancy on Rs.30/- p.m. though as a Graduate, I was even then eligible to be appointed in a first class vacancy in the grade of 30-3-45 in the Department. In February 1937, I was taken to Circle Office at Shimoga against the graded post of 30-3-45, like Messrs. A. Rudriah, P.S.Narayana Rao, Bhavani Prasad and others, who had been taken from the Divisions to the Circle Offices.

Though Messrs. P. S. Narayana Rao, Bhavani Prasad and others, who had been taken from the Divisions to the Circle Offices, were given the increments due to them in the Circle Offices. Mr. A. Rudriah and myself were continued for a long time on a fixed pay of Rs.30/-, the increments accrued in our respective appointments being held back in Circle Office. Several recommendations were made by the Superintending Engineer, Shimoga Circle, on our behalf till Government fixed our initial pay at Rs.33/- in the grade 30-3-45 with effect from 7-8-1939.

On a subsequent representation, Government were further pleased to order that we might be given the maximum pay of Rs.45/- in the said grade from 7-8-1942, instead of from 7-8-1943.

The long interval between by appointment in the progressive

scale of 30-3-45, and the orders of Government fixing me in the grade from a later date naturally entailed very heavy loss in my emoluments and consequently I was put to much hardship.

I had the necessary qualification for 30-3-45 appointment and I actually worked against a clear vacancy in the Circle Office in the progressive appointment. Accordingly I should have drawn my first increment in February 1938, to which I was in all respects entitled and reached the maximum in February 1942. A statement showing the pay to which I was entitled and that I have actually drawn and the difference of pay legitamately due to me, is herewith submitted for kind information.

Mr. A. Rudriah who suffered like me, stagnation in a progressive post sought redress from Government, who have reviewed the case sympathetically and justly, and have been pleased to order the disbursement of allowances that fell due allowing increments as they accrued in the usual course with effect from the date of joining duty in the Circle Office.

My case is identical with that of Mr. A. Rudriah, in every respect. We were both taken from Divisions to Shimoga Circle Office, and both the cases were referred to Government for increments. Both of us were affected by the same circumstances and had a common grievance to be redressed. The benign Government have graciously considered his case and passed orders. I also earnestly pray that the same consideration may kindly be extended to me, the arrears of emoluments that similarly fell due to me being ordered to be disbursed.

For this act of justice and sympathetic consideration, I

remain ever grateful to you.

Thanking you in anticipation,

I beg to remain,
Sir,
Your most obedient servant,

Dated 6-11-1946.

N. Sankara Sastry

Head Clerk.
